

About Scheme

The Government of India intends to facilitate biomass aggregation, preventing the burning of surplus biomass and generating extra income for farmers. This scheme aims to support biomass collection for initial 100 biomass-based CBG plants by providing financial assistance to CBG producers for procurement of biomass aggregation machinery (BAM).

Eligibility criteria of a beneficiary for getting financial assistance

- I. All the existing and upcoming CBG projects using at least 50% biomass (Agri residue) as feedstock as per DPR or utilizing minimum 3000 MT/ annum of biomass (Agri residue) as feedstock as per DPR.
- II. CBG projects must have an installed or proposed CBG production capacity of at least 2 tonnes per day (TPD) and be registered on the GOBARDhan portal.
- III. Under construction projects with at least 25% of physical progress at site as per DPR shall be considered eligible. However, at least 50 % physical progress must be achieved prior to disbursement of FA.
- IV. CBG project has not availed any benefits/ subsidy/ assistance on the machinery/ equipment to be procured under this scheme from any other Central Government/State Government schemes.
- V. Eligible applicant has to apply through designated portal (<https://bam.eil.co.in>) only before the procurement of BAM.
- VI. Steering Committee reserves the right to review the eligibility criteria.
- VII. For any further details, Refer scheme guidelines for providing financial assistance to compressed Bio Gas (CBG) producers for procurement of biomass aggregation machinery. (<https://bam.eil.co.in/Scheme%20Circular.pdf>)
